RE: AGENDA REQUESTS

The three agenda requests before the Town Council are seeking acceptance of the NH Office of Highway Safety Grants for “Merrimack DWI Patrols”, “Merrimack STEP Patrols”, and “Merrimack Distracted Driving Patrols”.

The Merrimack DWI Patrols grant is for the amount of \$7,182.00 and would fund 20 six hour patrols between the hours of 9 p.m. and 3 a.m.. These patrols would focus on detecting DWIs and would predominately be held on Thursday, Friday, and Saturday nights. We may schedule patrols around special events such as the Super Bowl and St. Patrick’s Day, which are known events that are focused around alcohol. This past year we conducted 13 patrols which resulted in 9 arrests (4 for DWI, 2 for illegal possession of alcohol, 1 for possession of drugs, and 2 for other warrants). Officers stopped 100 vehicles during the patrols and issued 100 warnings for various offenses and 5 summonses (4.7% of all paperwork issued).

The Merrimack Sustained Traffic Enforcement Patrols (STEP) grant is for the amount of \$18,194.40. This would fund 58 four hour patrols between the hours of 7 a.m. to 11 a.m. and 3 p.m. to 7 p.m. We would also participate in 12 other patrols for four hours during the National Highway Safety “Operation Safe Commute” campaign and 6 patrols during the “Join the NH Clique” campaign. The STEP patrols would be utilized to focus on known trouble areas during the commuting hours, with the ultimate goal of reducing accidents and making our roadways safer for our residents and commuting public. These patrols could be used to focus on traffic controls devices that are not being followed, speeding in various areas, and/or school bus complaints, etc. This past year a total 514 vehicles were stopped during the patrol which resulted in 400 warnings being issued and 116 summonses (22.4% of all paperwork issued). Of the summonses that were issued 52 (44.8% of summonses issued) were for Use of a Handheld Electronic Device, which is a known cause to several accidents and/or motor vehicle complaints.

I reviewed the number of accidents that were reported to us in 2015 and the same time period in 2016 and determined that we experienced approximately a 12% decrease in accidents.

The Merrimack Distracted Driving Patrols grant is for the amount of \$13,000. This grant would fund 54 four hour patrols between the hours of 7 a.m. to 11 a.m. and 3 p.m. to 7 p.m. This grant would focus on patrols to deter distracted and negligent driving which may be caused from using a handheld electronic device, other distractions in the car, failing to clear snow from vehicle, etc. This is the first year that we have been selected for this grant so I would refer to the data for last year's STEP grant. All three grants require 25% In Kind Match or Soft Match from the Police Department.
